Experience

Product & Graphic Designer – Noteystuff (Stationery Brand) - Remote, PK Feb 2026 – Present

- Built the brand from scratch, including color palette, logo, product planning, packaging, and social media visuals.
- Developed a cohesive visual identity and contributed to **75%** growth in leads and reach.

Graphic Designer & Video Editor – MLAB.PK Marketing Agency - Remote, PK Apr 2025 – Present

- Manage 8–12 brand clients simultaneously, producing social media graphics and posts.
- Produced high-engagement Reels that lifted reach and viewer interaction by **78%**.

Graphic Designer & Video Editor – Freelance, GLOBAL Oct 2020 – Present

- Work with clients across travel, food, and small business sectors on branding, social media graphics, and video content.

Graphic Designer – VitaNova International Alliance for Sciences - Remote, PK Mar 2025 – Aug 2025

- Planned 70+ educational posters and social media graphics, contributing to a reported **30%** rise in engagement.

Graphic Designer & Social Media Manager – NeuroStats Network - Remote, USA Jan 2025 – Jun 2025

- Built cohesive branding and color systems across platforms.
- Managed posts and carousels that amplified engagement by **75%**.

Projects

Noteystuff (Stationery Brand) | Complete Brand Build From Scratch

- Developed logo, color theme, stationery products, notebooks, and packaging; built a complete brand identity from zero, contributing to an **75%** increase in growth.

MyKitab.pk (Stationery Brand) | Notebook Collection (Product Designer)

- Created 12 notebook covers designs across two lines: 6 kawaii-style designs and 6 hand-drawn, illustration-style designs; developed cover art, layout, and print-ready files from concept to final product.

Fatima Jee's (Clothing Brand) | Branding & AI-Generated Promo Videos

- Produced professional promotional content using AI video tools without raw footage or physical shoots; planned posters and delivered professional-quality videos, cutting production cost and turnaround time.

NeuroStats Network (NeuroScience Community) | Digital Community Built From Scratch

- Developed consistent branding, color theme, templates, posts, and carousels, improving the visual identity system across social platforms and resulting in a measureable rise in engagement.

Education
